

# Technology Trends Forum

## Proactive Teaching:

Making your Course Accessible for all Students

**October 27, 2009**

**2 p.m. - 3:30 p.m.**

**Swanson 10/12**

Presentations & discussion by

*Jody Ralph* (Assistant Professor, College of Nursing) and

*Deb Glennen* (Director/Disability Specialist, Disability Services for Students)

in collaboration with the *Center for Instructional & Learning Technologies*

### *This forum will cover:*

- I do not have any students in my course with a disability. Why should I be concerned with making my course accessible?
- Why would I want to post audio/video of my lectures?
- What is Universal Design?
- How can I make my course accessible for all students?
